Hi Emy,

Talking with Lissa, it's hard to say what David and Sheila's schedule is, though my strong assumption is that it is a priority for them. It's my first priority and I hope to have others look at it earlier making me think that David and Sheila's review will be quick. So I am hoping to send you comments on 4/2 and no later than 4/3.

Right now I am compiling comments. I have them from Lissa, Bob, Marcy and David. So progress is happening.

Cheers, Fredrick

Fredrick,

I got your voicemail about the schedule for comments on the five-year review. If Lissa and David are back in the office on April 1, when do you think they will have their comments ready?

I can take your first set of complied comments and start looking at those when they are ready or (if it won't take too many days) I can wait until you can include Lissa/David's comments.

Let me know what you think the timing will be.

Thanks,

Emy
